PRACTICE APPROACH TO **EXPERIMENTAL** GOVERNANCE

A concrete, novel, temporally
and/or spatially bounded,
reversible and uncertain act.

PRACTICE APPROACH TO **EXPERIMENTAL GOVERNANCE**

Promoting reflexivity and openness, and
opportunities for experimentation.

Expression of social phenomenon that consists of shared meanings, competences, and materials.

PRACTICE APPROACH TO EXPERIMENTAL GOVERNANCE

How practices are performed and new technologies and services embedded in the everyday lives of people.

PRACTICE APPROACH TO EXPERIMENTAL GOVERNANCE

Understanding the conditions underlying stability and change, and why experiments are (un)successful.
