

## 2020 Autumn Chinese Teacher Training Programme

On Saturday 21 November 2020, 10-12, Confucius Institute arranged its first online teacher training for Chinese language teachers in Finland. Chinese language expert, Professor Sheng Shuangxia (盛双霞) from Beijing Normal University talked about topic Chinese language education during Covid-19. Despite the long distance and time difference between China and Finland, the Zoom session worked well and the online event enabled some new teachers to join the training programme.
