

THEORETICAL STUDIES INCLUDED IN DOCTORAL DEGREE (AGFOREE)

This form should be used to register the studies completed for the doctoral degree according to the new doctoral programme-based study requirements (40 credits) in the Doctoral Programme in Sustainable Use of Renewable Natural Resources.

Fill in this form with the studies you want to incorporate into your doctoral degree and send it to the AGFOREE Office. After checking the details, the Doctoral Education Planning Officer will ensure the form is accepted by the person in charge of your studies and then forward it your Faculty doctoral studies office.

Please check carefully that all the studies you want to incorporate into your Doctoral Degree have been registered correctly in your transcript of records. If you notice that there are missing credits/courses, please contact the responsible person for the course(s). Please also note that you may only include a maximum of 44 credits in your Doctoral degree.
