LUMA CENTRE
FINLAND

Instructions for the painting
watercolor paper
a wide & a narrow paint brush
masking tape
a glass jar
boiling water
red cabbage or bilberries
various acids and bases found at home

LUMA CENTRE
FINLAND

Instructions for the painting

1. Attach the paper to a table with masking tape to prevent the paper from curling.
 2. Mix red cabbage or bilberries with hot water.
 3. Paint over the whole paper with the cabbage/bilberry juice using a wide paint brush.
 4. Let dry for a while.
 5. Paint patterns with acids and bases found at home using a narrow paint brush.
