

## From Wreck to Poetry –Workshop

In this fascinating and unique workshop, we approach and interpret a 17th century wreck through poetry, that **you** create in the presence of authentic fragments of the “Hahtiperä wreck”.

You don't need any previous knowledge of poetry or creative writing – the poetry method is easy, it has even been used in kindergarten!

Workshops in Urbarium:

**Tuesday 17.00–17.30**

**Wednesday 9.30–10.00 & 11.30–12.00 & 17.00–17.30**

**Thursday 9.30–10.00**

The instructor of the workshop is PhD student (University of Oulu), author and arts educator Katariina Vuori. “From Wreck to Poetry” workshops are part of her doctoral thesis research and part of “The Lost Navy” research program.

Vuori's presentation on the Wreck of Hahtiperä is held on Wednesday at 11.00 (P674).
