## The Excursion

Our excursion on Tuesday evening will take us to Pihlajasaari Island in the Southern Helsinki. Our ferry to the island leaves from Merisatama harbor (address: Merisatamanranta 10) at 16:30. We will transfer to the harbor by public transport together from the venue. If someone wishes to transfer to the harbor by herself, we will meet there at 16:15. On the island, we will have a light dinner buffet at 17:00. After that, we can spend the summer evening enjoying the Nordic coastal nature. The dessert and coffee will be served by a bonfire. There is also a beach on the island for those who wish to go swimming. The last ferry back to the city will leave at 21:00.

## The Wifi

We recommend using Eduroam network at the venue. We also have an unprotected visitor network, HUPnet. The HUPnet username is **hupnet94737** and the password is **veera78ruudukas**
