

EPOS Data Portal

Training Workshop

Dear participants of the Nordic Seismology Seminar and the Nordic-EPOS Seminar,

We are inviting you to **EPOS ICS-C Data Portal and TCS Portals training workshop**, where tutorial videos will be introduced followed by interactive online sessions where participants get to work on scientific use cases using the **EPOS ICS-C Data Portal and TCS Portals**. The training session is open to all interested and is free of charge, however, [registration is required \(click here\)](#).

Nordic Seismology Seminar and Nordic-EPOS Seminar

**Monday 18th of October
07:00-14:30 UTC
(09:00-16:30 CEST)**

A vast collection of European solid Earth science datasets is now available through the EPOS ICS-C Data Portal (<https://www.ics-c.epos-eu.org/>) for download and pre-visualization. Are you interested to see what this portal currently has to offer and how to use it? Join the training!

*EPOS Team
at the University of Bergen*

Schedule and registration

Monday, 18th Oct	07:00 – 14:30 UTC (09:00 – 16:30 CEST)	
EPOS training activities		
	07:00-10:00	EPOS data portal (arranged by EPOS-ERIC/UiB)
	11:00-12:30	Earthquake Hazard and Risk (arranged by TCS-SEIS/EFEHR group)
	13:00-14:30	Anthropogenic hazard in the Nordic Region (arranged by TCS-AH/IG-PAS)
	<i>For registration to the Training Workshop, please use the attached link:</i> https://skiemaker.app.uib.no/view.php?id=11349253	
Tuesday, 19th Oct	08:00 – 15:00 UTC (10:00 – 17:00 CEST)	
Joint Nordic EPOS and 52nd Nordic Seismology seminar		
Sessions:	Efficient RI management and services, including EPOS services	
	European earthquake hazard model focusing on the Nordic region	
	<i>Both sessions will be followed by a discussion period</i>	
Wednesday, 20th Oct	08:00 – ~11:00 UTC (10:00 – 13:00 CEST)	
Joint Nordic EPOS and 52nd Nordic Seismology seminar		
Sessions:	General seismology	
	Seismic and volcanic events in Iceland	
	Announcement of next year's Seismic Seminar	

The EPOS Training Workshop and Joint Nordic EPOS and Nordic Seismology Seminar have independent registrations.

Participants registered to the EPOS Training Workshop (18th of October 2021) will receive a link to the Zoom meeting for joining the EPOS training.

- **Registration link for the EPOS Training Workshop:**
<https://skiemaker.app.uib.no/view.php?id=11349253>

Participants registering for the **Joint Nordic EPOS and Nordic Seismology Seminar (19th-20th of October 2021)**, please send email to Sigurlaug Hjaltadóttir (slauga@vedur.is), with CC to Kristín Vogfjörð (vogfjord@vedur.is), stating that you are registering for the **Joint Nordic EPOS and Nordic Seismology Seminar**. Registered participants will receive a link to the Zoom meeting which will enable them to join the seminar.

Those intending to give a presentation at the Joint Seminar, please register by October 10th.
