

ORDERING FORM
Proteomics Unit

Date _____

General terms and considerations:

- Material is free from biological, chemical and radiological hazard. Otherwise state the nature of the hazard.
- By delivering the order form to the Unit you agree that:
 1. Leftover sample is discarded after the analysis and all data is deleted after 1 year.
 2. Acknowledge the Unit's services in any resulting publication.

Name and Group	
Institute/Company	
Address	
Phone and Email	

Billing information:

Name and Group	
Institute/Company	
Address	
Reference number	
PI's signature	

Sample information:

Tube/band name	
Sample type	
Protein name (acc.nr)	
Protein origin	
Protein/Peptide size	
Amount (mol/ μ g)	
Volume	
Buffer composition	
GMO	<input type="checkbox"/> NO <input type="checkbox"/> YES if yes what GMO

Analysis:

Protein/Peptide identification	
Protein/Peptide mass determination	
Protein/peptide purification	
Data analysis
