

SELF – Studying in English as a Lingua Franca

SELF is a research project run at the Department of English at the University of Helsinki. The project investigates academic discourses in intercultural contexts where English is used as the medium of interaction. We collect written and spoken data for linguistic research. Personal information regarding the participants will not be made public and all the collected material will be used for research purposes only.

I hereby give my consent to be audiotaped and for my texts to be used for research purposes:

Yes

No

Please choose the appropriate option:

In the research,

I want to be referred to by my first name.

I want to be referred to by a pseudonym.

Signature, please also give your name in BLOCK CAPITALS

Background Information

1. Age: ≤ 23

24–30

31–50

$51 \geq$

2. Gender: female

male

3. Country of origin: _____

4. Native language(s): _____

5. Other languages you use: _____

6. Major subject: _____

7. Completed academic degrees: _____

8. Courses taken in [place] before: _____

9. Do you intend to take other courses in [place] this year? Yes No

10. Any other comments: _____

Thank you for contributing to our research!
